

Designated Striver?

Did you take a job but discover an exciting career in the apartment industry? Are you ready to take the next step in your professional development and become a certified success by earning your designation?

CAS training helps you better meet the needs of the apartment communities you serve. The National Apartment Association Education Institute (NAAEI) offers this nationally recognized designation to apartment industry suppliers who have at least one year of experience in a supplier role. Suppliers are important liaisons to the multifamily housing industry. This course is designed as an opportunity for suppliers to hear the everyday challenges faced by the apartment manager customer.

By becoming a **Certified Apartment Supplier (CAS)**, you can take your business to the next level.

Serving the Rental Housing Industry Since 1970.
