

Fair Housing and Beyond

Ground-breaking Seminar!

Training for: Management company executives
Property and site managers • Leasing professionals
Maintenance technicians • Vendors at your property

Sets new standard in fair housing training

Uses DVD-delivered scenarios to demonstrate how **real-life situations** require critical thinking and prudent decision making

Vividly shows the serious consequences of incorrect responses and provides coaching on how to **avoid costly mistakes**

Delivers **relevant knowledge** of fair housing essentials – practical explanations of how federal, state, and local protected classes and barred discriminatory acts impact property operations

Experience it today as a 4.5 hour seminar
