Enrolling with NAAEI for a Credential Course

In addition to registering for a credential course with your local apartment association, you must also enroll with NAAEI to receive an NAA User ID. You can enroll on the NAA Web site through the following link: <http://www.naahq.org/learn/education/enroll-in-a-course>.

You will use your NAA User ID and password throughout the certificate process, including taking exams. When enrolling, please be sure to select your local apartment association from the drop down menu in order to confirm your enrollment with them. Once you do this, your local association will be sent confirmation of your enrollment. If you are enrolling in an online course (CAM and NALP only), select "online" from the drop down menu. An enrollment tutorial is available on the NAA Web site through the following link: <http://www.naahq.org/sites/default/files/naa-documents/education/Candidates/Enrollment-Tutorial-February-2016.pdf>

Upon enrollment, candidates for all programs will receive a receipt by email showing a balance of \$0.00. This receipt confirms enrollment only and is separate from the purchase of a course.

Exam Fees

The initial exam fee is included in your course fees; however, if you need to retake the exam, you may do so after one week (seven days) for the following fees:

CAM EXAM: Retesting fees are \$80 for one part and \$100 for both parts.

All other designations: Retesting fee of \$30.

Planning to take the Exam

If you are planning to take the exam at your local apartment association or sponsoring organization's office, please contact them directly to schedule your exam. If you are not planning to take the exam at your local apartment association or sponsoring organization, you do not need to schedule the exam ahead of time. Exams can be taken at any time through the following Web site: www.Castleworldwide.com/naaei. Please keep in mind that you will not be able to access the online exam until you are eligible to sit for the exam. Eligibility codes are distributed by your local apartment association after completion of the required coursework.

CAM Candidates will need to take a proctored exam at their local apartment association or at a Castle Worldwide site. **CAM Online Candidates** will need to take the proctored exam at a Castle Worldwide site. CAM Online candidates will receive exam instructions from NAAEI when they are eligible to take the exam and will be able to choose the date, time and location of their exam.

To locate a Castle site, go to this website:

www.Castleworldwide.com/Castleweb/clients/testing-services/ibt-testing-sites.aspx

Practice Tests

Practice tests are available at www.naahq.org/learn/education/about-the-online-exams for the CAM, CAMT and NALP programs. The practice tests will familiarize participants with the testing format as well as the types of questions that are included in the credential exams.

Requesting Accommodation

NAAEI wishes to ensure that individuals with disabilities are not deprived of the opportunity to participate in the exams solely because of a disability. NAAEI complies

with the Americans with Disabilities Act of 1990 (ADA) and Title VII of the Civil Rights Act, as amended, in accommodating candidates with documented disabilities who need special arrangements to take an exam.

Reasonable accommodations depend on the nature and severity of the documented disability. A particular accommodation will not be granted if it is not deemed reasonable and other suitable techniques are available.

To arrange for an exam accommodation, you must submit an acceptable request to the Director of Education of NAAEI within thirty (30) days before the exam appointment. Please use the Request for Accommodation Form at the back of this book.

The request must include your name, address, and NAA ID; the name of the exam, the approximate date on which you wish to take the exam, the location at which you wish to take the exam; and a description of the accommodations you request. The request also must include supporting documentation from a physician's or other qualified professional reflecting a diagnosis of your disability and an explanation of the accommodation(s). The supporting documentation must be on a physician or other professional's letterhead, specify the professional's credentials and be signed by the professional.

NAAEI will provide reasonable accommodations, auxiliary aids and services, except where such may fundamentally alter the exam or results, or results in undue burden. Exam accommodations typically include:

- Extended time to complete the exam (time and a half to double time);
- A reduced-distraction environment separate from other exam candidates;
- Permission to use the candidate's adapting equipment, such as a magnifier;
- A reader or scribe; and
- Another accommodation recommended by the professional documenting the disability the NAAEI considers reasonable.

Due to the unique nature of each accommodation request, NAAEI recommends that candidates request accommodations as early as possible. The exam will be scheduled after NAAEI has received and reviewed all required information.

Admission on Exam Day

If you will take the exam at your local apartment association's office or a testing center, it is recommended that you arrive at least 30 minutes before your scheduled exam time. If you are late for your exam appointment, you may have to test later or reschedule. Acceptable

- * Valid driver's license
- * Valid passport
- * Government-issued identification

Candidate Agreement

Before you begin all NAAEI exams, you will be asked to read and indicate your acceptance of an agreement similar to the following:

I agree that NAAEI may verify to others that I have earned one of the NAAEI credentials. I authorize NAAEI to make such verification, and I release NAAEI from any liability associated with such disclosure.

This exam and the questions contained in it are the exclusive property of NAAEI and are protected by copyright law. No part of this exam may be copied or reproduced in part by any means whatsoever. I understand that I may not discuss or disclose the contents of the exam orally, in writing, or by any other means.

I understand that during this exam, I may NOT communicate with other exam participants, refer to any materials other than those given to me by the proctor, or help or obtain help from anyone other than the proctor. Participating in any irregularity during the exam, such as giving or receiving unauthorized information or help, may cause my exam to be discontinued, invalidate my exam results, or lead to other appropriate action. In such event, I understand that the exam fee will not be refunded due to costs incurred by NAAEI.

All property rights to the NAAEI exams, including copyright, are held by the NAAEI. Such attempt may include, but not be limited to: removing materials from the testing room; aiding others by any means in reconstructing any portion of the exam; and distributing, receiving, or having unauthorized possession of any portion of the exam. Exam scores might become invalid in the event of this type of suspected breach.

By selecting "I agree" below, I acknowledge that I have read and understood this agreement. I understand that failure to comply with the requirements outlined in this agreement can cause my participation to be terminated, my exam results to be invalidated, or other appropriate action to be taken. I confirm that I have provided all accurate and up to date information.

Exam Results and Scoring

Upon completion of your exam, you will receive your results immediately. All candidates receive diagnostic information on their performance in the major content areas of their particular exam. If you pass your exam, you will receive a passing notice followed by your certificate and pin from NAAEI, which is sent to your local apartment association or sponsoring association. Please note that if you have any outstanding course requirements, your certificate will follow upon the completion of those requirements. If you do not pass the exam, you will receive your score report in addition to a profile of

your strengths and weaknesses based on the sections included in the exam. If you need to retake the exam, you may do so after one week (seven days).

CAM EXAM: Retesting fees are \$80 for one part and \$100 for both parts.

All other designations: Retesting fee of \$30.

Your scores **will be shared** with your local apartment association or sponsoring organization via a grade report sent from NAAEI. If you experience a technical difficulty while taking your exam and it results in a failing grade, a description of the situation will be transmitted to your local apartment association or sponsoring organization. The failing grade can be removed and the retesting fee may be waived upon proof of the technical difficulty.

Your standing on the exam indicates only how well you respond to the types of questions on the exam and depends only on how well you answer the questions presented to you. It will NOT indicate how well you will do on the job.

With the exception of CAM, a passing score on all of the exams is 70%, which represents the minimum level of knowledge and skills a candidate must demonstrate to receive a passing score. The passing score was set through a process that included a study and recommendations by a panel of subject matter experts, test developers and NAAEI. For detailed information about CAM exam scaled scoring, please visit the following link on the NAA Web site: http://www.naahq.org/sites/default/files/naa-documents/education/Candidates/CAM-Scaled-Score-FAQ_2015-update.pdf.

The subject matter experts and test developers are highly familiar with the work of the individuals who earn the NAAEI credentials and the requirement of high performance on the job. These experts are a diverse group of professionals with a variety of work experiences within the apartment industry. They have familiarity with the credential holder's work functions through first-hand experience of direct, regular contact with individuals performing the work, or in work analysis and assessment.

Credential Status

Upon completion of all credential requirements, the credential holder's name is added to an online directory on the NAA Web site (members.naahq.org/Client/default.aspx#/designates). The credential holder, and other invested parties, may access this directory to determine the validity of a credential. Credential holders may also log in to their account profile or contact NAAEI staff via phone and e-mail to determine the period of validity for their credential.

Challenging Exam Results

Following completion of the exam, candidates may submit in writing comments on any question(s) they believe contain errors in content. NAAEI does not respond to complaints received more than 30 days following your test date. All comments must be sent in writing to NAAEI.

General Comments, Questions and Inquiries about Specific Questions

If you have comments or questions concerning your exam, direct your comments in writing to the NAAEI office within 30 days of your test date. In your correspondence, include your contact information, test date, as well as the specific concerns about the questions. You are not allowed to copy the question directly from the exam and are not expected to recreate the entire question in your correspondence. NAAEI will review the question and you will be notified of the findings. Because of the need for test security, NAAEI will not release exam questions or answers to candidates.

Privacy Policy

Personal information for all credential holders is kept confidential. If you need to speak with an NAA or NAAEI representative over the phone, please note that you will have to verify two pieces of information from your account. This information may be identified as one of the following: e-mail address, home address, work address, home phone number, or work phone number. NAA and NAAEI representatives will not issue User IDs, passwords or grades to anyone who cannot verify information on their account. NAAEI will use discretion when sharing information with sponsoring organizations.

Tips for Success

Follow all instructions precisely. If you are taking the exam at a local association or testing center, listen carefully to the proctor and carefully read all written directions you receive.

- Read each question carefully. Review all of the possible answer choices. Picture what would be true or the proper thing to do *in a real-life setting*. Then make your answer choice.
- Don't try to second-guess what the question writers want by thinking, "What do they want me to do?" You will have more success if you think, "What is the best approach for this situation?"
- Pace yourself by checking the time and your progress periodically. The time allotted for the exams is meant to allow everyone ample time to finish. Be sure that you are spending a reasonable amount of time on each question to avoid wasting the time that is set aside for your exam.

Retaking an Exam

If you do not pass the exam, you may retake it in seven days or longer. You may retake the exam as many times as you wish, but you must wait at least seven days between sittings.

CAM EXAM: Retesting fees are \$80 for one part and \$100 for both parts.

All other designations pay a retesting fee of \$30.00.

CAMT Apartment Institute for Maintenance Excellence

CAMT certificate holders are not required to submit a yearly renewal fee or report Continuing Education Credits (CECs). Instead, all CAMT certificate holders are granted a one-year membership in the Apartment Institute for Maintenance Excellence (AIME). As a member, you will be acknowledged as a leader in the field of Apartment Maintenance, and can prove that you are tuned in to the most up-to-date information available.

Retaining your membership in AIME beyond the first year is both optional and simple. NAAEI will annually develop three hours of topical maintenance training that will keep your maintenance skills up-to-date and will demonstrate to your employer or future employer your commitment to Apartment Maintenance Excellence. You just have to complete three hours of training for every year that you choose to continue your membership.

NALP, CAM, CAPS and CAS Credential Renewal Requirements

Credential holder invoices are mailed annually in October to all credential holders who received their credentials before October 31, 2014. Individuals who received their

credentials after November 1, 2014, will receive an invoice each year on the anniversary date of credential completion.

Credential renewal payments are due upon receipt. However, you may pay without penalty within three months of the due date. Please pay the dues total amount indicated on your invoice. If renewal fees are unpaid after three months, a second invoice will be mailed and a \$50 reinstatement fee must be paid along with your credential renewal fee. Please submit the total number of CECs indicated on your invoice.

All CECs required for the renewal period should be earned during the previous year. For example, for the 2015 renewal period, you report CECs earned during 2014. Credits earned prior to 2014 can't be carried forward and reported in the 2015 renewal period.

One contact hour or 50 minutes of education programming or instruction (breaks and meals excluded) is equivalent to one CEC.

Individuals who hold multiple NAAEI credentials may use the same CECs for renewal of all credentials. The total number of CECs that you must report is indicated on your invoice.

Please keep a copy of your CEC reporting form with backup in case your forms are lost in the mail. You may find this form online at: www.naahq.org/renew.

One half of your required CECs per renewal period must be attained by participating in NAA, NAAEI or NAA affiliate courses, seminars, programs or activities.

CECs Earned from Non-NAA or Non-NAA Affiliate Programs and Activities

The other half of your required CECs may be obtained by participating in the following programs or activities.
