

**NAA LIFETIME ACHIEVEMENT
AWARD
CALL FOR RECOMMENDATIONS**

Cindy Clare, CAPS, CPM, Chairman of the 2018 Lifetime Achievement Award Committee, has issued this Call for Recommendations for the Lifetime Achievement Award.

The NAA Lifetime Achievement Award (LAA) recognizes the contributions of our supplier partners and our association executives for their “long-term history of exemplary national service and accomplishments to the National Apartment Association and the rental housing industry”. The criteria for nominations are exemplary service to NAA and the rental housing industry overall, above and beyond that of the normal member volunteer. Length of time in the industry is not a determining factor, but is a consideration.

The Hall of Fame Committee will oversee the Lifetime Achievement Award each year. The Immediate Past Chairman of the NSC and Immediate Past President of the AEC will be added to the committee to review nominations for the LAA. The LAA awards may be awarded to both a supplier member and an association executive; only in one category; or not at all if the Committee so determines. This is not an annual award. It is designed to recognize outstanding service to NAA beyond the efforts of other volunteer leaders. Nominees from previous years who were not selected may be resubmitted for consideration.

A recipient must be a former or current member/AE of NAA and will be determined by a vote of 8 of the 11 members. The presentation of the award will be given during the November 2018 Assembly of Delegates meeting in Phoenix, AZ.
