

Get ready to improve and manage your community's energy efficiency!

CAMT + E Micro-Credential

CAMT+E

CERTIFICATE FOR APARTMENT
MAINTENANCE TECHNICIANS
+ ENERGY EFFICIENCY

WE RECOMMEND THIS COURSE for CAMT credential holders who are preparing to take a bigger role in improving and managing energy efficiency in the communities they serve.

This micro-credential will enable you to:

- Identify energy efficiency opportunities
- Advocate for and communicate effectively with stakeholders about energy efficiency measures
- Install and/or monitor the quality of installation of energy efficiency measures
- Evaluate the effectiveness of energy efficiency performance and upgrades over time

YOU'LL LEARN ABOUT:

- Measuring energy usage
- Identifying energy efficiency strategies for apartments
- Maintaining equipment for optimal performance
- Evaluating the cost-effectiveness of energy efficient upgrades
