

NAA SPECIAL MEMBER OFFER FOR COVID-19 ELECTROSTATIC SPRAYERS

Dear NAA Member:

Marriott International is extending a very special offer as a benefit to members of NAA. Marriott currently has surplus supply of electrostatic sprayers that disperse chemicals proven to eradicate the COVID-19 virus. For a limited time, Marriott will offer this equipment at a reduced cost to NAA members. Specialty equipment for disinfecting COVID-19 is currently costly and difficult to procure on the market. Marriott will have some of the earliest shipments in the country and will work with NAA members to schedule expedited shipping. Orders will be accepted based on the availability of Marriott's inventory.

Product Facts:

- Eradicates deadly pathogens like Coronavirus (COVID-19), Influenza, Candida Auris and more
