Hello everyone. During this time of uncertainty, it is important we continue our mission of delivering services to the American people.

Public housing authorities, landlords, non-profits, and shelters can share CDC fact sheets to help individuals, families, and staff understand the coronavirus along with steps they can take to protect themselves. These are found on our website, [hud.gov/coronavirus](https://www.hud.gov/coronavirus).

We value your partnerships, support, and willingness to be flexible during this time. We share the goal of facilitating a safe and healthy environment for communities nationwide.

Thank you for all you've already done, working around the clock to offer critical guidance during this unprecedented situation.

Please know that we are here as a resource should you need additional informational assistance. Again, please visit [hud.gov/coronavirus](https://www.hud.gov/coronavirus) for the most up to date information.

Together, we will reassure the people we serve. "This too shall pass."
