

**Advocacy365 Member Advocate of the Year Award**  
Nominating Deadline: Wednesday, October 10<sup>th</sup>

*“We in America do not have government by the majority. We have government by the majority who participate.”*  
~ Thomas Jefferson

Grassroots advocacy is vital to the political efforts of our association. It is the efforts of individuals at the local level to influence public policy that can make the difference at the state and national level. Therefore, NAA Government Affairs wants to recognize you, the individual advocate, for your outstanding work on behalf of our industry. This award recognizes the work that individual advocates voluntarily do for the apartment industry throughout the year, including meeting with elected officials, sending a letter or making a phone call to your member of Congress, recruiting members to join NAAPAC and more.

Nominations will be reviewed by the NAA Legislative Committee Chair, the NAAPAC Chair, and the Joint Legislative Committee Chair.

The Member Advocate of the Year will be announced at the 2018 Assembly of Delegates meeting in November and featured in a subsequent issue of *units* Magazine and receive complimentary registration for the 2019 Advocate Conference and Lobby Day in Washington, D.C. For more information please contact Peter Fromknecht at [PFromknecht@naahq.org](mailto:PFromknecht@naahq.org) or 703-797-0618.
