The National Suppliers Council (NSC) is a prestigious network of suppliers within the National Apartment Association consisting of the most trusted names and avid promoters of the rental housing industry. We are the voice for all industry suppliers, providing access to business opportunities, education and advocacy for our members.

One of the most valuable benefits includes access to NAA's members. In fact, 91 percent of NAA members influence the purchasing process and 72 percent of NAA members have the authority and/or approval to make these purchases.

NSC membership offers so much more, including:

- Priority booth selection at key NAA events
- Priority hotel selection for your company ahead of non-NSC members at Apartmentalize
- Exclusive access to NAA's member mailing list through a third party mailing house
- Connect with customers, industry decision-makers and other suppliers at NSC and NAA events
- Exclusive access to the NSC Lounge at Apartmentalize
- Attendee Lists for all NAA conferences
- Free listing in NSC Supplier Directory
- 25% off on Visto, including Supplier Success courses
- Access to NSC Receptions at NAA's Advocate and Assembly of Delegates meetings

The annual dues for this membership is \$1,700/annually*. If you decide to become a Supporting Partner for an additional \$3,400, a NSC membership is included as part of your Supporting Partnership benefits.

*Membership cost will be prorated after June 1, however full upcoming year dues are required at time of purchase.
