

# Access benefits that work for you!

NAA surveyed members in 2019 and 59% responded they would be interested in a healthcare offering if there were potential cost savings.

Our members have come together to collectively source quality, affordable health insurance options for small business members who are challenged with finding viable solutions for their employees.

## Healthcare solutions include:

- Affordable medical
- Dental
- Telemedicine
- Vision
- Life insurance
- Disability insurance
- And more

*This benefit is available for both industry and supplier members with two (2) or more employees!*
