Introduction

NAA's Board of Directors (Board) has decided that the organization should operate in a certain manner. These policies, procedures, and appendices reflect the decisions of the NAA Board of Directors. When read in conjunction with NAA's Bylaws, the two documents provide the description of how the various components of the NAA network function together. If there is a conflict between the Bylaws and the Policies and Procedures, the provisions in the Bylaws shall control.

NAA is a federated association in which the national organization acts with a network of (state and local) affiliated associations.

Members can participate as delegates to NAA's Assembly of Delegates, Committees, and Councils. Each group works with the NAA professional staff to best serve NAA's members.

NAA employs a professional staff that is charged with managing the operations of the association. The President/CEO of NAA has the responsibility to manage the activities of the staff. They are expected to inform the Officers, Board of Directors, and the Assembly of Delegates so that these groups can fulfill their responsibilities of deciding the policies of NAA. The NAA staff has the responsibility of implementing the policies regarding Governance, Financial Management, Communication, Programs, Event, Membership and Affiliated Associations.

The NAA Network

NAA is the national organization hosting a network of trade associations that provide member benefits to owners, operators, and suppliers of rental housing. In areas where no local or state affiliates exist, NAA also serves direct members in those categories. These state and local organizations are typically independent corporations with their own finances, governance structures and employees or association management contractors. These affiliated associations have chosen to join the NAA network and to adhere to NAA's Bylaws and Policies and Procedures.

The affiliated associations collect dues for their own organizations as well as NAA dues and remit a portion to NAA. They deliver NAA programs and products to members in their respective areas. Affiliated associations shall not collect dues nor offer NAA programs, services or products outside the geographic territory assigned to their association by the NAA Board of Directors.

Affiliated Associations

The Board of Directors of the Association may vote to grant a charter and assign a territory to any association, owned, or controlled by its members, that complies with NAA Bylaws and Policies & Procedures.

NAA has sole authority in approving new affiliates. Chartered state affiliates will be asked to provide recommendation, in the form of Board of Directors resolution, as part of the chartering process.

Local Affiliated Associations

Associations that serve a geographic area that may be less than the entire state. It may also service a territory that crosses state lines.

State Affiliated Associations

Associations where territory includes an entire State. It may but is not required to have local affiliates. All State Affiliates shall provide that all the local affiliated associations in such state must be and continue to be affiliated with the chartered state affiliated association and NAA.

International Affiliated Associations

Associations that serve a geographic area outside the United States.

Criteria and procedures for granting Charters are contained in Appendix 1. If the affiliate's approved territory crosses regional or State lines, the Board of Directors, may review at any time, how members and units will be allocated for purposes of Regional Vice President and delegate distribution.

Affiliate Territory

Affiliates will be assigned a territory when their Charter is granted. Affiliates may not accept membership from outside their territory. Affiliates have the exclusive right to provide NAA courses, continuing education for Designation Program Certifications and other NAA goods and services within their territory. Members may choose to attend courses and programs outside of the territory in which they are a member however, affiliates shall not offer any NAA goods or services outside of their approved territory except with the consent of the affiliate within whose boundaries the event is being held. This prohibition is in effect regardless of whether the local affiliate benefits financially from the event. Notwithstanding the foregoing, local affiliates will not be considered to have violated this policy if their members choose to include employees outside of the affiliate's boundaries in a sponsored event.

Reassignment of Territory

Any member or affiliate may recommend that the territories assigned to chartered local affiliates within their State be revised. After consultation with the appropriate affiliates, increases or reductions in territory, approved by a majority vote of the Board of Directors of NAA, shall be binding upon the chartered local association provided a minimum of at least thirty (30) days-notice of the proposed change.

NAA chartered state and local affiliates requesting a territory expansion shall submit a business plan to NAA outlining how the industry will be served through programming and legislative advocacy.

The NAA chartered state and any adjacent local affiliates shall be notified of requested territory expansions. A period of fourteen (14) days will be allowed for comment by the state and any adjacent local affiliates.

In the event two NAA chartered State or Local affiliates petition for identical territory, there shall be a mediation process by a sub-committee appointed by the Membership Committee Chair. The sub-committee will evaluate all submitted information, as well as potentially request additional information, to identify the best positioned affiliate to serve the industry within the requested territory. The mediation process shall take place within six (6) months from the receipt of disputed territory request. The recommendation will be forwarded to NAA's Membership Committee and Board of Directors for consideration and vote.

If the mediation process is not successful, then affiliates will be forwarded to a hearing panel for a review of the territory request. The panel will render a binding decision on which affiliate is best positioned to serve the industry and shall make a recommendation to NAA's Membership Committee and Board of Directors.

Consistency with NAA's Bylaws and Policies and Procedures

No Affiliated Association's bylaws or policies shall conflict with any bylaw provisions or policies of NAA. Upon discovery that an affiliated association has operated in violation of the NAA's Bylaws and/or Policies & Procedures, the NAA President and the Executive Committee shall communicate with the affiliate to attempt to bring the affiliate into compliance. If that effort is unsuccessful, the matter will be referred to the NAA Board of Directors for action.

Revocation of Charter

NAA may terminate the charter of any affiliated association for any reason, including but not limited to, violations of NAA's Bylaws, Policies and Procedures, or Affiliate Standards Program. Except for termination for failure to pay all sums due to NAA, termination shall become effective upon a two-thirds (2/3) vote of the Board of Directors, after due process, provided however, that the holder of the terminated charter may note an appeal to the Assembly of Delegates within 10 days of the Board's action. The Appeal shall be considered at the next meeting of the Assembly of Delegates. Upon failure to pay all sums due NAA, within sixty (60) days after the same shall become due, all member and affiliated association services and privileges shall, upon written notice, be suspended. Failure to remit sums due to NAA, within ninety (90) days after the same shall become due will result in charter termination upon written notice. NAA staff shall notify the Board and the State Association, if one exists, of all suspensions and revocation for failure to pay amounts due prior to taking action to revoke a Charter.

NAA Affiliate Standards

In 2019, NAA's Board of Directors voted to approve affiliate operating standards. Publications

The publications and other suitable printed materials, i.e., letterhead, membership certificates, etc., of each affiliated local association shall designate membership in NAA using the style and format established and provided by NAA and place the NAA logo on their publications and mailing materials.

Governance

NAA's governance structure is designed to encourage participation from all members of its network. Our leaders are geographically diverse and bring professional management experience from smaller owner managed businesses, regional companies, and large national companies. Supplier members are represented, as are the association executives of affiliated associations. Each group works closely with the NAA professional staff.

NAA is governed by its Board of Directors and the Assembly of Delegates with input from the

various Committees and Councils that report to the Board, Affiliated Associations and the NAA staff. NAA has divided its membership into geographic regions to ensure that each area is represented. These regions elect delegates who serve in the Assembly of Delegates and Regional Vice Presidents who serve on the Board of Directors. Members from each region meet as a group at each of NAA's national meetings.

Assembly of Delegates

The Assembly of Delegates approves the dues structure, elects the officers of the association, amends the bylaws, and may reconfigure the regions as circumstances dictate. The Assembly also hears appeals from charter revocations. The Assembly is required to meet each November but may convene at other times as enumerated in these Policies and Procedures. Delegates are expected to attend the (three) NAA (annual) national meetings. Delegates often serve on NAA committees and meet with other delegates from the same region.

Each represented state may appoint one (1) alternate for each of its delegates. International members are not eligible to serve as a delegate. The procedure for allocating, selecting, replacing, and reporting delegates and alternates is contained in Appendix 5 and the delegate replacement form is contained in Appendix 5A.

Qualifications

All persons appointed to serve as delegates and alternates shall be employees of owner members, or supplier members in good standing, whereas delegate alternates may also include staff of affiliated associations in good standing. An individual may be a delegate or alternate for only one (1) State. Whenever possible, a member, who is not currently serving on the NAA Board of Directors, should be chosen. However, if a region has limited availability in selecting delegates, a member of the NAA Board may be chosen.

Meetings

The Assembly of Delegates is required to meet at the Assembly of Delegates meeting each November. Special meetings of the Assembly of Delegates may be called by the Chairman of the Board, one-third (1/3) of the members of the Board of Directors or shall be called upon written request of not less than one-third (1/3) of the delegates. The Chairman of the Board shall set the time and place of such special meeting within fourteen (14) days of such action. Notice of a special meeting shall be mailed at least thirty (30) days before the time appointed for the meeting with a statement of time and place and information as to the subject to be considered; provided, however, that such thirty (30) day period may be waived by a determination of the Chairman of the Board, that an emergency exists. The Assembly of Delegates may meet in person or electronically.

Minutes

Draft minutes of Assembly meetings will be available no later than thirty (30) days after any meeting.

Voting

The "affiliated association" shall provide credentials for one (1) or more persons to attend the meeting as a delegate or alternate empowered to vote. Delegates may cast only one (1) vote on any one issue.

In the absence of a delegate, an alternate should be selected to replace the absent delegate.

Where a State Affiliated Association Exists – State President or their designee should select an alternate from the same local affiliate to replace the delegate. If an alternate from that affiliate is not available, any alternate from the state may be selected.

Where No State Affiliated Association Exists – Local Affiliate President or their designee should select an alternate from the same local affiliate to replace the delegate. If an alternate from that affiliate is not available, any alternate from the state may be selected.

The NAA staff, under the direction of the Secretary, shall inspect credentials and determine the total number of votes entitled to be cast on any question to be voted upon and preside over voting procedures. Any disputes regarding voting rights will be resolved by an ad hoc committee. This committee will include the Secretary and two members of the Board of Directors appointed by the Chairman of the Board. Upon achieving a quorum, a majority of the authorized votes cast by those present shall govern any action, except where the Bylaws or Robert's Rules of Order specifically require supermajority, including but not limited to Bylaws Amendments, Dissolution of Association, and Changes to Regions.

Monetary Commitment

Delegates and Alternates are responsible for all expenses to attend the three scheduled meetings.

Board of Directors

Authority

Meetings

The Board of Directors will meet at governance meetings held in conjunction with the Advocate, Apartmentalize, and Assembly of Delegates. They will also meet at two (2) stand-alone meetings in the winter and fall. Special meetings of the Board may be called at any time by the Chairman, or by notice signed by a majority of the Board and mailed to members of the Board not less than ten (10) days preceding the scheduled time of the meeting. The Board of Directors may meet in person or electronically.

Minutes

Draft Minutes of Board of Directors' meeting will be available to affiliated associations, Delegates, Alternates, and the Board of Directors no later than thirty (30) days after any meeting.

Voting

Each voting member of the Board shall be entitled to one (1) vote. The member of the Board

must be present to vote. No proxies will be allowed.

Attendance

Board members are expected to attend all regularly scheduled meetings of the Board of Directors. If a Board Member is unable to attend a meeting, they must notify the NAA Chairman or his/her designee stating the reason for such absence. The Chairman of the Board shall have the sole authority to excuse absences by Board Members subject to review by the Board of Directors. Any Board member who fails to attend two regular Board meetings in a calendar year without approval may be removed from the Board.

Monetary Commitment

Except for the NAA President, members of the Board of Directors shall serve without compensation. Board Members will assume the responsibility for all expenses not reimbursed by NAA to attend the five scheduled meetings. The portions of the expenses that are paid for by NAA are outlined in the NAA Reimbursement Policy in Appendix 7. NAA currently reimburses certain expenses incurred by Directors for affiliate travel within their region.

Executive Committee

Authority

Subject to the limitation of the Articles of Incorporation, and the Bylaws, the Executive Committee shall be responsible for the coordination and management of the affairs of the Association between meetings of the Board of Directors.

The Executive Committee, without prior approval of the Board of Directors, may authorize additional unbudgeted spending up to 3% of the annual budget, per year in aggregate, in circumstances deemed necessary for the operation of the Association. Any spending so authorized will be reported to the Board of Directors within three (3) days after granting such authorization.

- Coordination and management of the affairs of the Association between meetings of the Board of Directors.
- Upon discovery that an affiliated association has operated in violation of the Association's Bylaws and/or Policies & Procedures, the NAA President and the Executive Committee shall communicate with the affiliate to attempt to bring the affiliate into compliance. If that effort is unsuccessful, the matter will be referred to the NAA Board of Directors for action.

Meetings

The Executive Committee meets at the call of the Chairman of the Board or by request of at least two members of the Executive Committee.

Quorum

A quorum at any Executive Committee Meeting shall exist when the number of members present at a meeting equal at least fifty-one percent (51%) of the total number of voting

members.

Minutes

The Board shall receive a draft copy of all Executive Committee Minutes containing all actions taken in the Boards absence within 15 days of the meeting.

Voting

Each voting member of the Executive Committee shall be entitled to one (1) vote and must be present to vote. No proxies voting will be allowed. When, in the judgment of the Chairman, it is inexpedient to call a special meeting, the Chairman may authorize a vote by mail, email, other electronic means or telephone. The question presented shall be determined according to a majority of the votes received within 5 days after such submission to the Executive Committee; provided that in each case, votes of at least fifty-one percent (51%) of the number of Executive Committee members shall be received.

Elections

Officers:

New officer candidates may self-nominate and are required to complete the NAA Officer Application for consideration. If a current officer wishes to remain on the executive committee and is seeking to move up to the next officer position, they may complete the Officer Declaration Form.

Officer Qualifications

- An individual must have served for two (2) full calendar years as Regional Vice President, at-large member of the Board of Directors or Chairman of a Committee
- Each officer must be either an owner, developer, builder, or operator currently serving in a senior level capacity in the rental housing industry who is employed by or a representative of a member in good standing.

In cases where equal seniority exists, the region shall determine the method by which the voting and non-voting member shall be determined. If there is an increase in RVPs for a Region, the non-voting RVP

If a vacancy occurs for a Regional Vice President, the Region may hold a special election and electronic voting may be permitted. In the absence of an appointed delegate, an alternate delegate from the state or affiliate may vote. In special elections to replace RVPs, the region may vote by mail, email, other electronic means, or telephone. The election shall be determined according to a majority of the votes after five days after such submission to the Region; provided that in each case, votes of at least fifty-one percent (51%) of the Delegates shall be received.

Vacancies

If, during their term of office, the member employing the Regional Vice President is no longer in good standing or the Regional Vice President is not employed by a member in good standing, the Regional Vice President will be automatically terminated from such office unless, within one hundred twenty (120) days, such Regional Vice President becomes a member or is employed by an owner/operator member in good standing. If that effort is unsuccessful, the matter will be referred to the NAA Board of Directors for action.

Appendix 9: Nominations & Election Process for Regional Vice President (RVP)

At the regional meeting held in conjunction with Advocate, each region that will be conducting an election will:

1. **Make an Announcement.** The current RVPs will explain the election process and announce that an election will take place.
2. **Appoint a Regional Election Committee.** The region will appoint and ratify a regional **election** committee **whose purpose is to conduct elections at the regional meetings**. Where practical and if there is more than one state in a region, the regional **election** committee should include at least one representative from each state where an affiliate exists. In the event a vacancy occurs on the committee, the remaining committee will carry on the duties of the committee. The committee members will self-select a Chairperson from the committee.
****The names of the members serving on the regional election committee will be transmitted, via email, to the NAA Senior Manager of Governance by April 1st.**
3. **Choose a Method for Selecting the RVP.** The Region will select one of the following methods for electing RVPs:
 - a. Geographical Representation: Election where RVPs are elected in a manner that no state in the Region can have more than one RVP;
 - b. Majority Vote: The nominees receiving the largest number of votes will be the selected Regional Vice Presidents with no consideration to where they are from, provided they are located in the Region; or
 - c. Other methods approved at Regional meeting.

If no method is selected, the RVP's will be selected by majority vote.

Between the Advocate conference and May 5th, the following will occur:

1. **Notification of Election (by April 1st).**
A notification that elections will be held and call for applications will be sent by NAA staff to all delegates, alternates, local and state affiliate presidents, and local association executives.
2. **Applications for Consideration (by April 30th).**
Current RVPs who wish to run for re-election will **submit a declaration form of re-election electronically to the NAA Senior Manager of Governance, no later than April 30th**. Any new applicant wishing to run for a RVP position will submit **an RVP** application electronically to the **NAA Senior Manager of Governance** no later than April 30th.
3. **Vetting of Applicants (by May 5th).**

NAA staff will vet all applicants for RVP positions based on criteria outlined in the NAA bylaws, the Policies and Procedures, and will transmit all applications and declaration forms to the regional election committee no later than May 5th.

Prior to Apartmentalize, NAA staff will create the Region's paper ballots or electronic ballot.

- a. If majority vote was chosen, nominees will be listed in alphabetical order by last name.
- b. If geographical representation was chosen, the Ballot will be divided by the state the applicant is representing and then list the nominees in alphabetical order by last name.
- c. If another method was chosen, the Ballot will be prepared according to the method that was chosen.

At the regional meeting held in conjunction with Apartmentalize: The regional election committee will:

1. **Conduct the Election.** Regular elections will occur at the regional meetings held at Apartmentalize.
2. **Distribute Ballots.** Ballots will be distributed by the **regional election committee**. Only NAA delegates that are properly credentialed may vote. If a delegate is absent, an alternate that is properly credentialed may vote in the absent delegate's place. Alternates that replace absent delegates should be selected on the following preferences: (i) same local as absent delegate they are replacing; then (ii) same state as absent delegate they are replacing.
3. **Oversee delegate Voting.** Write-in votes will not be counted. Delegates may not cast multiple votes for one applicant (Cumulative Voting), unless specified as **acceptable by the regional election committee**.

If majority vote was chosen, each person voting may cast a maximum of one vote for each available position but no more than one per applicant. (Example: 1 voting RVP & 1 non-voting RVP = 2 votes, 3 voting RVP & 1 non-voting RVP = 4 votes).

If geographical representation was chosen, each person voting may cast a maximum of one vote for each available position but not more than one vote for a nominee in a state and no more than one per applicant. (Example: 1 voting RVP & 1 non-voting RVP = 2 votes but no more than one per state, 3 voting RVP & 1 non-voting RVP = 4 votes but no more than one per state)

4. **Count the Votes.** The results will be tallied by representatives of the regional election committee and announced immediately by the regional election committee chairperson or committee designate at the end of the voting period. In all cases, the nominees receiving the largest number of

votes will be the selected Regional Vice Presidents. The person(s) receiving the most votes will automatically become the voting Regional Vice Presidents; and the other person selected will automatically become the Region's non-voting RVP.

In the event of a tie vote:

To determine RVP: A revote by paper ballot will be conducted for tied positions. Each person voting will cast a maximum of one vote for each available position (Geographic Representation-not more than one vote for a nominee in a state). Example: 2 nominees tied for 1 position – 1 vote, 3 nominees tied for 2 positions- 2 votes).

Any challenges to the voting process or results will be handled at the discretion of the **regional election** committee chairperson and those committee members present.

To determine voting v. non-voting: If the applicants do not determine this between themselves, a revote will occur among the tied applicants. The person(s) receiving the most votes will automatically become the voting Regional Vice Presidents; and the other person selected will automatically become the Region's non-voting RVP. If there is another tie after the revote, a coin will be flipped to make the determination by the regional election committee chairperson or committee designate.

Appendix 13: NAA Special Funds

Affiliate Assistance Fund

Purpose and Eligible Activities

The purpose of the NAA Affiliate Assistance Fund (AAF) is to support nongovernment affairs-related projects of significant importance to NAA affiliates. Examples of items for which AAF funds may be used include, but are not limited to: operating expenses incurred to improve delivery of member services i.e. purchasing computer hardware, membership communications software/platforms and professional services, educational programming on local ordinances, regulations and issues that are specific to the affiliate, and/or membership recruiting activities that would otherwise not qualify for funding under NAA's Strategic Growth, Association Management Software and Computer Assistance Fund or other initiative.

Application Process and Requirements

Requests for AAF funding must be submitted by an NAA-affiliated association. All applications will be reviewed and considered by the NAA Membership Committee before being forwarded with a recommendation, to the NAA Board of Directors for review at its next scheduled meeting. Applications must be received a minimum of thirty (30) days prior to a regularly scheduled NAA Board of Directors meeting. If expedited consideration of the affiliate AAF application is needed, the NAA Board of Directors will consider and vote upon the application within ten (10) business days by electronic means. The NAA Board of Directors, by majority vote, shall have final approval regarding the awarding of all AAF funds.

A maximum of \$100,000 may be distributed from the AAF per year; however, NAA reserves the right to make distributions in an amount less than the maximum amount. Once this cap has been reached, additional AAF funds may only be distributed if an emergency exception is approved by the NAA Board of Directors by a 2/3 majority vote. All applications will be evaluated on their merits and only the strongest applications will be funded.

All applicants must complete the AAF Application Form located on the NAA web site. A complete application includes the following information:

- Summary of the project and desired outcomes.
- The specific dollar amount being requested (no open-ended funding requests shall be considered).
- Explanation of the project's significance to the applying affiliate.
- Preliminary information on the likelihood of success or successes from the requested funds.
- Detailed outline of the affiliate's action plan for executing the project and how AAF funds will be allocated.
- Detailed explanation of the applicant's financial resources already committed to the project, if any, and why additional support from the AAF is needed.
- Schedule of when AAF funds for the project will be spent (i.e. a timeline for requested distributions of AAF funds).
- Explanation of how the use of AAF funds will be tracked.
- Listing of any other groups who are contributing financially to the effort and in what amounts.

In evaluating AAF applications, financial need is a major consideration. Affiliates with strong financials and reserves may not be eligible. Depending on the financial resources of the requesting affiliate additional matching funds may be required to receive AAF funding. To assist in the evaluation of financial need, applicants shall submit a copy of their latest annual financial statements and most recent monthly financial statement or an in-house prepared financial statement that has been approved by the affiliate's Board of Directors.

No funds will be approved to pay for the establishment of local programs when that program/service is already supplied (or is in the process of being supplied) by NAA or NAAEI.

Each of the above items must be specifically addressed and answered in full or applications will be returned for revision.

The following restrictions apply to AAF funds:

- A maximum of \$30,000 in AAF funding may be requested per project.
- An affiliate may only be granted a maximum of \$30,000 in AAF funding per three-year cycle. This three-year cycle shall begin immediately following the date on which the first AAF funds are received by the affiliate. Exceptions to this \$30,000 per three-year cycle limit may be granted by a 2/3 majority vote of the NAA Board of Directors, upon the conclusion of the normal AAF funding request process.
- Funds may be applied to future expenditures only.
- All applying affiliates must be current on dues.

Distribution of AAF Funds

If approved, AAF funds will only be distributed upon NAA's receipt of a formal invoice, receipt, or similar documentation. The affiliate needs to provide proof that the invoice to a vendor was paid, through a copy of a canceled check or similar document. Funding can be sent to organizations other than the applying affiliate with appropriate documentation. Approved funds will be earmarked within the AAF for a maximum period of 12 months. After this time unused dollars will be returned to the fund's general balance. Further, upon completion of the project, any unused AAF funds which have been distributed to an affiliate must be returned to NAA. For each element of the project, NAA will reimburse up to the amount approved.

If the affiliate changes its priorities or extenuating circumstances in the opinion of the Membership Committee renders the project moot, any unspent allocated funds shall be withdrawn, and any unspent distributed funds must be returned to NAA.

Reporting & Follow-up

The applying affiliate is solely responsible for any and all reporting requirements, which may apply as a result of receiving monies from the AAF for taxation and/or other purposes. In addition, the affiliate agrees to provide all relevant information that may be needed for NAA to comply with any reporting requirements which may apply as a result of distributing monies from the AAF.

All applicants agree to the following requirements as a condition of receiving funding from the AAF:

1. Provide the Membership Committee – via NAA staff – progress reports within 15 business days of the end of each calendar quarter for a period of two years from the date the funds were distributed. If the reporting is not submitted, showing the results

- or impact of the funds on a timely basis, the provided funding will be refunded back to NAA.
2. Deliver a comprehensive written summary to the Membership Committee within 15 business days following completion of the project. This debriefing will include description of:
 - a. Spending of AAF funds.
 - b. The success or failure of the project.
 - c. What parts of the project worked and did not work?
 3. Deliver samples of all materials developed in support of the project to NAA staff.

Strategic Growth Fund

Purpose and Eligible Activities

The purpose of the NAA Strategic Growth Fund (SGF) is to assist NAA-affiliated associations with a market penetration rate of 50 percent below in major metropolitan areas to grow their membership. A major metropolitan area is currently defined by the U.S. Census Bureau as a metropolitan area with population over one million. Examples of items for which SGF funds may be used include but are not limited to membership recruitment and retention campaign to strengthen the association's brand, build awareness, attract new members, and increase member retention; develop a public relations campaign to promote the association and provide value to members by promoting the industry and spotlighting members; validate membership lists; outreach efforts.

Application Process and Requirements

Requests for SGF funding must be submitted by an NAA-affiliated association. All applications will be reviewed and considered by the NAA Membership Committee before being forwarded with a recommendation, to the NAA Board of Directors for review at its next scheduled meeting. Applications must be received a minimum of thirty (30) days prior to a regularly scheduled NAA Board of Directors meeting.

To be considered, the application must be completed in full, including a strategic growth plan, a detailed budget, goals for the eligible activities and timelines associated with the goals. Submitting an application does not guarantee that NAA will fund a request. Funding from NAA will be based on an affiliate's financial investment, level of commitment by the affiliate, potential unit growth, use of innovative membership campaigns/outreach, and anticipated return on investment.

Funds will be awarded based on availability. Applying affiliates must be in good standing with NAA, including compliance with dues and reporting. Affiliates must meet the following criteria:

- A strategic growth plan must be submitted with the application, which must include:
 - SMART goals (specific, measurable, attainable, realistic, and timely)
 - Clear strategies for ongoing sustainability
- The activities must target an area with less than 50 percent membership penetration
- Identified and itemized resources that are not otherwise available within the affiliate's current budget and resources.

No funds will be approved to pay for the establishment of local programs when that program/service is already supplied (or is in the process of being supplied) by NAA or NAAEI.

Distribution of SGF Funds

If approved, SGF funds will only be distributed upon NAA's receipt of a formal invoice, receipt, or similar documentation. The affiliate needs to provide proof that the invoice to a vendor was paid, through a copy of a canceled check or similar document. Funding can be sent to organizations other than the applying affiliate with appropriate documentation. Approved funds will be earmarked within the SGF for the period outlined in the approval. After this time unused dollars will be returned to the fund's general balance. For each element of the project, NAA will reimburse up to the amount approved.

If the affiliate changes its priorities or extenuating circumstances in the opinion of the Membership Committee renders the project moot, any unspent allocated funds shall be withdrawn, and any unspent distributed funds must be returned to NAA.

Monitoring & Follow-up

The applying affiliate is solely responsible for any and all reporting requirements, which may apply as a result of receiving monies from the SGF for taxation and/or other purposes. In addition, the affiliate agrees to provide all relevant information that may be needed for NAA to comply with any reporting requirements which may apply as a result of distributing monies from the SGF.

All applicants agree to the following requirements as a condition of receiving funding from the SGF:

1. *QUARTERLY REPORTING*: Affiliates will be required to submit a written report to NAA one month after the end of each quarter during the life of the project. The report must state what funds have been expended by the affiliate and the status of the measurable goals identified in their plan.
2. *MEMBERSHIP COMMITTEE MEETINGS*: NAA staff will update the NAA Membership Committee during each regular meeting during the life of the project, based on the quarterly reports provided.
3. *COMPLETION OF PLAN*: Within two months of completion of the Plan, a final report must be submitted to NAA including evaluation of the project's success, a final budget statement and a project summary.

Termination of Funding

Any affiliate that fails to make their quarterly reporting requirement shall not receive further funding until reporting requirements are satisfied. NAA may terminate funding to any affiliate that fails to meet the goals established in the plan upon a recommendation by the NAA Membership Committee and approval by the NAA Executive Committee.

Subsequent Funding

The NAA Board of Directors will determine the amount of money to be allocated to the Strategic Growth Fund each year based on recommendations from the NAA Membership and Budget and Finance Committees. The NAA Board reserves the right to grant partial funding and/or to refuse funding at their sole discretion.

Any questions regarding the SGF guidelines or application process can be directed to [Sara Keene](#), Director, Member Programs & Compliance.

Industry Mobilization Fund

Purpose and Eligible Activities:

The purpose of the Industry Mobilization Fund (IMF) is to support advocacy efforts that attempt to address issues of major significance to NAA members, affiliates, and the apartment industry overall. Examples of items for which IMF funds may be used include, but are not limited to:

- State and local legislative campaigns, legal actions, public relations programs, advocacy training courses.
- National advocacy efforts not presently supported adequately through NAA's government affairs program.
- National, state, or local research or survey projects.

While not specifically required, IMF funding requests will be evaluated for their potential benefit to other NAA affiliates or national advocacy goals. IMF funding cannot be used for campaign contributions to candidates for office, funding for political parties or other electioneering activities. As well, any activities which are in support of a policy position that conflicts with NAA policy will not be funded.

Application and Approval Process

IMF funding requests may be submitted by an NAA Affiliate, the Board of Directors, the Legislative Committee or NAA staff. Requests for less than \$2,500 (subject to all other requirements) can be reviewed and approved by the Chairman of the Legislative Committee upon the recommendation of staff and subject to financial need. All other requests will be reviewed first by the Legislative Committee which then issues a recommendation for approval or declines the request.

Requests for which there is a recommendation for approval will be forwarded to the NAA Board of Directors for review at its next scheduled meeting. Approval by the Board of Directors shall be by simple majority vote. If expedited consideration of the application is needed the NAA Board of Directors will consider and vote upon the application within 10 business days by electronic means.

Funding Limitations

The following restrictions apply to affiliate requests for IMF funds:

- A maximum of \$30,000 in IMF funding may be requested per project.
- An affiliate may only be granted a maximum of \$30,000 in IMF funding per three-year cycle. This three-year cycle shall begin immediately following the date on which the first IMF funds are received by the affiliate.
- Exceptions to the \$30,000 maximum or one application per three-year cycle limit may be granted by a 2/3 majority vote of the NAA Board of Directors, once a request has been approved on substantive groups by the Legislative Committee.

Financial Need

In the case of affiliate IMF requests financial need will play a role in determining funding for the request. It is recommended that affiliates with annual revenues of \$1.5 Million or greater match 100 percent of the amount they are requesting from the IMF. Affiliates with annual

revenues of \$1 - \$1.5 Million should contribute 50 percent of the amount they are requesting from the IMF. Affiliates with annual revenues of less than \$1 Million do not necessarily need to contribute towards the cost of the project. Staff will notify the Legislative Committee when an affiliate maintains greater than 25 percent of net operating reserves.

“In-kind” support by the affiliate does not count towards the contribution recommendations above (e.g. time of existing staff, use of affiliate-owned facilities, etc.).

To assist in the evaluation of financial need, applicants shall submit:

- Financial statements and balance sheet as of December 31 of the previous year as well as their most recent financial statements and balance sheet. (Note: These documents must detail Net Operating Reserves and cash-on-hand.)
- Approved minutes from a Board meeting with a motion indicating that the Affiliate’s Board of Directors has authorized the request, discussed the application terms for the funds and have approved the required contribution by the affiliate to the project.

Application Requirements

All applicants must either complete the IMF Application Form located on the NAA web site or submit a single document that includes the following information:

- Summary of the project, its current status, and desired outcomes.
- The specific dollar amount being requested (i.e. no open-ended funding requests shall be considered).
- Explanation of the project’s significance to the applying affiliate and to the national apartment industry as a whole.
- Preliminary information on the likelihood of success for the effort.
- Detailed outline of the affiliate’s action plan for executing the project and how IMF funds will be allocated.
- Specific amount being contributed by the affiliate toward the cost of the project (subject to the criteria noted above).
- Detailed explanation of why support from the IMF is needed.
- Approved minutes or motion by the affiliate’s board of directors approving the project and (if applicable) approving the funds to meet the financial contribution requirement noted above.
- Schedule of when IMF funds for the project will be spent (i.e. a timeline for requested distributions of IMF funds).
- Explanation of how the use of IMF funds will be tracked.
- Listing of any other groups who are contributing financially to the effort and in what amounts.

Each of the above items must be specifically addressed and answered in full or applications may be returned for revision. Applicants are also encouraged to submit any additional supporting information that would be helpful to the Committee and NAA Board of Directors.

Distribution of Funds

If approved, IMF funds will only be distributed upon receipt of a formal invoice, receipt, or similar documentation. Funding can be sent to organizations other than the applying affiliate (non-profits or other entities involved in the campaign) with appropriate documentation. Approved funds will be earmarked within the IMF for a period of 24 months. After this time unused dollars will be returned to the fund’s general balance. Further, upon completion of the campaign, any unused IMF funds which have been distributed to an affiliate must be returned to NAA.

If the affiliate changes its priorities or extenuating circumstances render the issue moot, any unspent allocated funds shall be withdrawn, and any unspent distributed funds must be returned to NAA.

Follow-Up and Reporting

The applicant is solely responsible for any and all local, state or federal government reporting requirements which may apply as a result of receiving monies from the IMF. In addition, the affiliate agrees to provide all relevant information that may be needed for NAA to comply with any reporting requirements which may apply as a result of distributing monies from the IMF.

All applicants agree to do the following as a condition of funding from the IMF.

1. Provide the Legislative Committee – via NAA staff – a written progress report at the end of 90 days after the request is approved. Successive progress reports will be filed at the end of each 90-day period thereafter until the project is completed.
2. Deliver a comprehensive debriefing before the Legislative Committee following completion of the project. This debriefing will include a description of:
 - a. Spending of IMF funds.
 - b. The success or failure of the project.
 - c. What components of the project worked and those that did not?
 - d. Lessons learned.
3. Deliver samples of all campaign or collateral materials (promotional pieces, model legislation, advertisements, white papers, etc.) to NAA staff.

Management of IMF Funds

A maximum of twenty percent of the balance of the IMF – as of the beginning of the calendar year based upon the prior year's December 31 audited financial statements – may be distributed annually for affiliate requests. Once this cap has been reached additional IMF funds may only be distributed for affiliates if an emergency exception is approved by a 2/3 majority of the NAA Board of Directors. All applications will be evaluated on their merits and financial need. Only the strongest applications will be funded.

Any questions regarding the IMF funding guidelines or application process can be directed to Greg Brown at greg@naahq.org.

Examples of items for which AAF funds may be used include but are not limited to operating expenses incurred to improve delivery of member services i.e. computer hardware, membership communications software and professional services, educational programming on local ordinances, regulations and issues that are specific to the affiliate and/or membership recruiting activities.

Application Process & Requirements

Requests for GAF funding must be submitted by an NAA affiliate. All applications will be considered first by the NAA Membership Committee before being forwarded, with a recommendation, to the NAA Board of Directors for review at its next scheduled meeting. If expedited consideration of the affiliate GAF application is needed the NAA Board of Directors may consider and vote upon the application within 10 business days by electronic means. The Board of Directors, by majority vote, shall have final approval regarding the awarding of all GAF funds.

A maximum of US\$75,000 per affiliate may be distributed from the GAF, however NAA reserves the right to make distributions in an amount less than the maximum amount. Once this cap has been reached additional GAF funds may only be distributed if an emergency exception is approved by the Board of Directors by a 2/3 majority vote. All applications will be evaluated on their merits and only the strongest applications will be funded.

To assist in the evaluation of financial need, applicants shall submit:

- A copy of their latest annual financial statements and most recent monthly financial statement or an in-house prepared financial statement that has been approved by the affiliate's Board of Directors.

No funds will be approved to pay for the establishment of local programs when that program/service is already supplied (or is in the process of being supplied) by NAA or NAAEI.

Each of the above items must be specifically addressed and answered in full or applications will be returned for revision. Applicants are also encouraged to submit any additional supporting information that would be helpful to the Committee. The application and any supporting information should be submitted electronically.

In addition to completing a formal application, applicants must present their request before the Committee. This presentation may take place during one of the committee's in-person meetings or via teleconference.

The following restrictions apply to GAF funds:

1. A maximum of US\$75,000 in AAF funding may be requested per project.
2. An affiliate may only be granted a maximum of \$75,000 per three-year cycle. Board Designated Operating Reserves

This fund would be used for any use approved by the Board of Directors.

- Target Fund Level: 35% (or approximately 4 months) of total expense (less depreciation expense which is a non-cash item) for the previous fiscal year. The calculation for the target fund should include Board Designated Operating Reserves plus unrestricted net assets. The minimum floor for the reserve ratio should be 25% (or 3 months) of total expenses (less depreciation) for the previous fiscal year.
- If the reserve level falls below 30%, a 3-year replenishment plan must be implemented beginning in the following fiscal year to replenish the fund back to the 35% target. The repayment schedule would appear as an expense line item in the Association's operating budget.
- If the reserves are repaid earlier than 3 years as the result of net year end profits being earmarked for reserves, the replenishment plan would be suspended.
- The reserve ratio is to be calculated by the CPA audit firm on an annual basis during the annual audit.
- Approval to Disburse: Board of Directors, except that the Executive Committee would be authorized to access and draw upon up to \$250,000 annually to carry on the operations of the association without Board consent

Industry Mobilization Fund

The purpose of the NAA Industry Mobilization Fund (IMF) is to support advocacy efforts to address issues of major significance to the apartment industry. Examples of items for which IMF funds may be used include, but are not limited to:

1. State and local advocacy campaigns (e.g. defeating rent control regulation, inspection ordinances, building code retrofit requirements),
2. National advocacy efforts, not presently supported adequately through NAA's government affairs program,
3. Public opinion polling (e.g. support for higher rents in exchange for greater energy efficiency in apartments), or

5. Initial Fund Level: \$300,000
6. Approval to Disburse: Board of Directors after review and approval by the Legislative Committee.

Affiliate Assistance Fund

The purpose of the NAA Affiliate Assistance Fund ("AAF") is to support non-government affairs- related projects of significant importance to NAA affiliates. Examples of items for which AAF funds may be used include but are not limited to membership-focused projects (i.e. purchasing membership database software); education-related initiatives outside the purview of NAAEI funding (i.e. conducting an education course related to compliance with a local ordinance or regulation or developing a legal guide).

- Initial- Fund Level: \$250,000
- Approval to Disburse: Board of Directors after review and approval by the Membership Committee.

Allocation

The Budget and Finance Committee will address the allocation to the established reserve funds annually. After the audit is completed for any year, the amount to be allocated to any designated fund shall be recommended by the Executive Committee for review by the Budget and Finance Committee. Final approval is by the Board of Directors.

Notwithstanding the foregoing, the IMF and AAF, and any designated future allocations will be reviewed at such time as the remaining allocation for that fund is 40% or below of the Initial allocation. The amount to be allocated will be determined by the Association's need for unrestricted working capital and need not be 100% of any positive operating results.

Responsibilities of the Investment Consultant

- Take the role of a discretionary consultant with fiduciary responsibility in keeping consistent with NAA's investment objectives, policies, guidelines, and constraints as set forth in this investment policy.
- Assist NAA in establishing investment objectives.
- Provide asset allocation modeling to help NAA make prudent decisions related to the selection of the target asset allocation model.
- Proactively make tactical asset allocation changes based on the prevailing or anticipated market environment.
- Rebalance the portfolio based upon the approved rebalancing discipline further outlined within this Investment Policy.
- Hire and replace Investment Manager(s) and provide, at least annually, an analysis of the mix of money managers to include their performance, risk statistics, universe rankings and other metrics to the Investment Subcommittee.

- Communicate with the CFO/Vice President and Treasurer regarding all matters pertaining to the investment of the portfolio's assets.

Responsibilities of the Investment Manager(s)

- Communicate with the Investment Consultant(s) regarding all significant matters pertaining to the investment of the portfolio's assets, including changes in the investment strategy, asset mix, portfolio structure, and market value of the portfolio's assets.

NAA "Operating Fund"

The purpose of the Operating Fund is to provide sufficient cash to meet the financial obligations and unanticipated needs of NAA in a timely manner. The amount of the Operating Fund will be determined based upon the organization's ongoing needs. The amount will be reviewed at least annually by the Budget and Finance Committee.

Investment Objectives

The investment objectives of these funds are as follows:

1. Preservation of Capital
2. Liquidity

Allowable Investments

- Federally Insured Certificates of Deposit not to exceed the FDIC limit including interest at commercial banks or savings and loans institutions
- Money Market Funds
- Interest bearing checking accounts in federally insured banks and savings and loans not to exceed federally insured amounts.
- Repurchase agreements with institutions whose senior debt rating is rated double A or better by Standard & Poor's and/or Moody's or where physical delivery of the collateral is made to a third-party custodian.
- Mutual funds which invest in investment-grade short-term fixed income securities.

NAA's "Long-Term Fund"

The purpose of the Long-Term Fund is to enhance the purchasing power of funds held for future expenditure and to maintain the financial stability of the association. The Long-Term Fund should hold all funds beyond those in the Operating and Short-Term Funds.

Investment Objectives

The primary investment objectives of the Long-Term Fund are:

1. Long term asset growth
2. Income to meet NAA budget requirements
3. Optimize returns while minimizing risk through diversification and asset allocation.

The Long-Term Fund performance will be measured in a multi-dimensional way. The following are the performance goals measured over a complete market cycle (usually 3-5 years):

1. Achieve an average annual rate of CPI +3%, or higher.
2. Achieve a rate of return, net of fees which meets or exceeds, the broad market benchmark (comprised of the weighted average return of the applicable indices)
3. Achieve a risk-adjusted return, net of fees, greater than the board market benchmark.

Investment Philosophy

NAA recognizes that risk (i.e. the uncertainty of future events), volatility (i.e. the potential for variability of asset values) and the potential loss in purchasing power due to inflation are present to some degree with all types of investment vehicles. The assumption of a level of risk that is commensurate with NAA's objectives is warranted in order to allow the investment portfolio the opportunity to achieve satisfactory results consistent with the objectives and characteristics of the portfolio. Objectives will be measured by results achieved over a three-year moving period.

The objective of the account is to pursue a long-term goal designed to maximize the returns without exposure to undue risk, as defined herein. Whereas it is understood that fluctuating rates of return are characteristic of the securities markets, the greatest concern is long-term appreciation of the assets and consistency of total portfolio return.

Risk, Volatility and Loss

NAA will accept the portfolio exhibiting volatility characteristics that approximate the volatility of the blended benchmark. Nonetheless, it is NAA's preference that the maximum losses incurred by the portfolio in any one year, not exceed that of the comparative index. The Investment Manager should take actions to minimize losses.

Asset Allocation

It is understood that due to market movements and due to Tactical adjustments, the asset allocation at any given time will vary from the target allocation. It will therefore be necessary to periodically rebalance the portfolio to the targeted asset allocation. As a result of the asset allocation analysis, establishing and maintaining the following asset mix would best serve the objectives of the Long-Term Fund:

Asset Category: Tactical Range

Cash	0-20%
Equities	30-70%
Fixed Income	20-60%
Alternative Investments	0-30%

* **Note:** For the first 18-24 months after changing Investment Consultant(s) or during drastic economic periods, portfolio allocations may be gradually brought to target allocations as listed above. Therefore, allocations for any asset class may deviate significantly from the target and the range during such periods – such situations will not be considered a violation of this investment policy statement. Additionally, all active Investment Managers will be considered fully invested regardless of their cash holdings when comparing their performance with the benchmarks and for the purposes of policy compliance and rebalancing values.

Re-balancing Procedures and Additions to the Operating Fund

The ranges set forth above are intended to act as thresholds that should be reviewed quarterly by NAA after receipt of quarterly investment reports from the Investment Consultant(s). The Investment Consultant(s) will regularly monitor the portfolio for any variations from target allocations. The following discipline will be followed for rebalancing:

If the actual allocation in any of the four major asset classes (Equities, Fixed Income, Alternatives and Cash) varies from the target by at least 5% in absolute value (for example, if 35% in fixed income was to go down to 30% or go up to 40% of total portfolio value), it will call for rebalancing of the portfolio back to the target amounts.

If possible, new cash flows should be used for rebalancing. If new cash is not available, current investments should be bought and sold to achieve the target asset allocation.

Especially during periods of excess market return over the annual CPI +3% target, the Investment Subcommittee reserves the right to transfer funds up to the amount of excess return over annual target into the Operating Fund. During market periods when the portfolio has not achieved its annual CPI +3%% target return, such transfers from the Long-Term Fund into the Operating Fund are permitted only with Board approval.

Diversification, Marketability, Yield and Quality Consideration

Seeking to establish a diversified program of investments, Fund assets shall be invested under the management of one or more registered investment advisors, variable and/or fixed annuities, mutual funds, alternative investments (with limits, as discussed under the section “Alternative Investments” below) and/or Index-Linked Exchange Traded Funds (ETF) or Unit Investment Trusts (UITs) in portfolios of Domestic (U.S.) Equities, Domestic Fixed Income, and International Equities. Investment vehicles and amounts allocated to each vehicle may change after a thorough review of the capital markets.

The types of stocks and market capitalization of the companies purchased for the portfolio are within the discretion of the investment manager. The manager is expressly permitted to invest in small, medium, and large capitalization stocks.

Equity Portfolio

- Equity holding in any one company in each investment advisor's portfolio may not exceed 7.5% of portfolio at cost or 10% of account value (except in mutual funds or other pooled investments).
- Equity holding in non-U.S. based companies may not exceed 30% of the market value of the portfolio.
- Equity securities shall in general possess value and quality corroborated by accepted techniques and standards of fundamental and technical analysis.

Fixed Income Portfolio

- Fixed Income can be managed both actively, utilizing individual bond ladders, bond mutual funds, and Fixed Income investment managers, or passively using index-based Exchange Traded Funds. For active management of Fixed Income, the following guidelines apply:
 - Active management is meant to include shifting sector emphasis as well as affecting other prudent strategies that enhance the portfolio or decrease the volatility or exposure to capital depreciation. However, the weighted average maturity of the portfolio must be 10 years or less.
 - The diversification of fixed income securities by maturity, sector, and geography is the responsibility of the Investment Consultant or Investment Manager.
 - Fixed Income securities shall be invested in marketable, fixed income securities of intermediate-term maturity with an average rating of no less than "A", or investment grade, as rated by Standard and Poors or Moody's.
 - The following instruments are acceptable:
 - a. Commercial Paper or Variable Rate Notes of P-1 or equivalent rating.
 - b. Certificates of Deposit and Bankers Acceptances (A-rated or above)
 - c. United States Treasury Bonds, Notes and Bills.
 - d. Repurchase agreements with U.S. Treasury Securities and agencies of the U.S. Government as collateral.
 - e. Debt instruments of the U.S. Government or its agencies.
 - f. Fixed annuities with underlying fixed income instruments.
 - g. Corporate debt issues with an investment grade rating from a major bond-rating agency such as Moody's or Standard and Poors (BBB-rated or higher).
 - h. Convertible, High Yield, and International Bond Mutual Funds
 - i. Exchange-Traded Funds

- Individual bonds that are split rated will, for the purposes of this portfolio, be considered investment grade and thus eligible for purchase. Split rated bonds are defined as bonds that have an investment grade rating with Standard & Poors and a non-investment grade rating with Moody's or vice versa.
- Individual high yield bonds may be purchased by a professional money manager who is hired to manage these investments opportunistically.
- Fixed income exposure to any specific industry group may not exceed 20% of the market value of the total portfolio.
- Fixed Income holding of a single issuer may not exceed 10% of the market value of the total portfolio.
- The portfolio diversification requirements do not pertain to investments in debt securities issued by the United States Government or its fully guaranteed agencies.

Alternative Investments Portfolio

- A range of alternative investments may be considered prudent to be included in the overall asset allocation with the objective of creating favorable risk-reward characteristics for the overall portfolio. These alternative investments may include Private Equity, Managed Futures (Limited Partnerships), Hedge Funds, Liquid Alternatives or Hedge Replication Strategies, Inflation-Indexed Securities, Hedged Portfolios using Put and Call Options, Real Assets/Natural Resources and Commodities.
- The target allocation for such diversified alternative investments may range from 0%-30% of the total market value of the portfolio. However, no more than 10% of the alternative investments may be invested in any one sub-category such as Hedge Fund of Funds, Managed Futures, Private Equity, unless allocated to a liquid investment structure such as liquid alternatives or hedge replication strategies. This allocation is limited due to the high risk, long-term, illiquid nature of such commitments.
- NAA recognizes that while such alternative investments may carry a higher degree of risk if considered on their own, they may potentially reduce total portfolio risk and enhance total portfolio return since they may be uncorrelated to other asset classes in the portfolio mix.

Cash Equivalents Portfolio

- It is desirable that the Investment Manager use interest-bearing money market funds and other cash equivalent securities with a maturity of 1 year or less. NAA understands that at certain times attractive opportunities might arise with securities with longer maturities. The manager is permitted to invest in such securities.

Prohibited Transactions (except if executed in Alternative Investments).

- Purchase of securities on margin, options of all types, letter stock, private placements, securities whose issuers have filed a petition for bankruptcy, short sales, tax exempt

securities, and warrants are prohibited, unless purchased as part of the “alternative investment” allocation or if purchased by a mutual fund for the purpose of hedging or risk reduction.

- The manager shall not purchase assets other than those mentioned as being appropriate in this statement, without the written consent of NAA

Fund Performance Benchmarks

Investment Managers will be evaluated, over a three-to-five-year period, against their respective benchmarks and peer groups. For example, a Large Cap Value manager will be compared against the Russell 1000 Value and the PSN or Morningstar Large Cap Value Universes.

For purposes of performance evaluation against the relevant benchmarks, calculation of current asset allocation percentages and for rebalancing decisions, each Investment Manager will be considered fully invested at all times during the performance measurement period regardless of the level of cash in each portfolio.

Review and Reporting

NAA's Investment Subcommittee will review on a quarterly basis written evaluations of performance against the investment policies and benchmarks set forth above. The Committee will also review annual performance - the annual evaluation shall include the following:

A report of performance for each money manager for the past periods including the Last Quarter, Last 12 Months, Three Years and Since Inception – both absolute and relative to appropriate indices. Returns shall be annualized and calculated on a time-weighted basis for the total portfolio. All returns should include income and dividends.

Managers are expected to outperform their respective benchmark on a rolling 3–5-year period. Each manager's performance will be evaluated by the Investment Subcommittee annually and by the Investment Consultant quarterly.

Investment manager changes as well as tactical asset allocation shifts will be communicated in advance to provide the organization the ability to ask detailed questions and raise any potential concerns.

All actions taken by the Investment Consultant will be communicated to the CFO/Vice President within 24 hours, or as quickly as possible.

The Investment Consultant(s) will provide a quarterly performance summary and a detailed annual evaluation of the Operating Fund and the Long-Term Fund to the Treasurer and CFO/Vice President. The Treasurer and CFO/Vice President will ensure that the quarterly and annual reports are provided to the Investment Subcommittee.

The Investment Subcommittee shall meet with the Investment Consultant at least annually or as requested to review Fund investments and the current investment environment. At meetings, the written and oral presentations shall cover the following:

1. The quarterly report described above.
2. A review of the financial markets and economies that may affect the portfolio's performance.
3. Discussion of the rationale for performance results by relating them specifically to investment strategy and tactical decisions implemented during the current review period.
4. Discussion of the manager's specific strategy for the portfolio over the next period with specific reference to asset allocation and portfolio characteristics, as appropriate.
5. Supporting discussion of the next period's strategy with reference to manager's capital market and economic assumptions, as appropriate.
6. Discussion of NAA's needs, goals and objectives, if different from previous quarter.

Acceptance and Adoption:

The Investment Subcommittee has reviewed, approved and adopted this Investment Policy Statement for NAA's investment portfolios (the Funds). The Committee reserves the right to make any changes to this Investment Policy Statement as deemed necessary. All such changes will be made in writing and The Investment Consultant(s) and its designated Investment Consultant(s) will be duly informed.

Appendix 16: Disaster Response Plan

As the leading voice for the apartment industry, NAA has a responsibility to assist our members in times of disaster to help them get their businesses operational as quickly as possible to serve residents and those displaced as needed. It is important to remember that the role of NAA is to be an industry resource for our members and provide guidance on additional contributions to leverage our combined dollars. NAA should not be a source for local, first responder information (phone numbers for power companies, hospitals, etc.). We should not try to duplicate the efforts of local media or industry leaders/affiliates in the affected areas, but we should serve as an industry-specific resource in these situations. Our goal should be to broadly disseminate information to our members that they cannot get elsewhere.

Communication should flow through the appropriate channels and include members of the Disaster Response Team to maintain a single point of contact and a consistent message. NAA staff should exercise caution prior to contacting members in affected areas and always remember to balance the need for information with awareness that individuals and organizations will be tending to far more pressing needs during and immediately after a disaster. Outgoing public communication will be centralized on a live NAA blog for large-scale disasters. The blog will feature:

- Information on ongoing industry relief efforts, including any NAA donations
- NAA statement on the situation
- Updates from the state affiliate of the affected area with links to its resource page
- Links to NAA's disaster resources page
- Ways to help any industry charitable efforts

Internally, all questions regarding disaster or disaster relief efforts should be directed to the NAA disaster relief team. If the media calls, do not talk to them other than to say you're transferring them to the Manager, Public Relations; Director, Communications; or SVP, Marketing & Communications.

Pre-Disaster Preparedness:

Disaster Response Team:

1. CEO – Spokesperson
2. COO
3. SVP, Marketing & Communications – Backup spokesperson
4. SVP, Member & Affiliate Services
5. SVP, Government Affairs
6. Director, Association Resources – Main point of contact
7. Customer Service Lead
8. Director, Communications – Third spokesperson/Coordinator with Director, Association Resources

Holding Statements:

Natural Disaster: “NAA is in contact with the state and local affiliates that have been impacted by (disaster). We are working with our affiliate network and members to provide them resources and information that will allow them to get their business back online as soon as possible.”

Post-Disaster Housing:

NAA is working with its state and local affiliates to help displaced residents find suitable housing. Our suppliers have developed housing portals dedicated to those affected by (disaster). More information on available housing can be found at (URL).

Terrorism/Active Shooter:

NAA is aware of the situation at (location), is in touch with its (affiliate or member) and is monitoring the situation. I refer you to (local law enforcement) for any further information.

Post-Terrorism/Active Shooter:

The National Apartment Association (NAA) and the entire apartment housing industry are deeply saddened by the senseless act of violence in (location). We mourn for the victims, their families and the entire (location) community as they deal with the aftermath of this tragedy. Considering the ongoing nature of this investigation, we recommend you contact your (local law enforcement) for any further information.

Donation Guideline Policy:

Charitable contributions are an important part of the Cycle of Disaster Relief (CDR).

- Phase 1: Safety, Rescue and Restoring Order
- Phase 2: Recovery
- Phase 3: Rebuilding
- Phase 4: Mitigating Future Disasters

NAA will donate up to \$10,000 to an approved charity that focuses on disaster relief through all stages of recovery who has an existing relationship with the state affiliate where the disaster occurred. In cases where there is not an approved disaster relief related state affiliate charity, or when the disaster crosses multiple states, the donation will go to the American Red Cross, in its role as the single organization with a national infrastructure to put aid to immediate use. Once the donation is made, NAA will alert members via standard communication channels and provide the link for further industry assistance.

If forecasts are certain that a clear and present danger exists, and substantial damage is sure to occur, NAA may contribute to the American Red Cross in advance of the disaster which allows for immediate industry outreach to maximize assistance.

Affiliates may wish to contribute to the same charity as NAA or to their own endorsed charity. The NAA G.I.V.E.S. section of the website will list all endorsed state and local affiliate charities that have been vetted and have related missions. Criteria used in the evaluation of the donation amount will include the significant impact on the industry in the affected area and one or more of these post-event factors:

- State of Emergency declared by Governor
- Federal Disaster Area declared by President
- FEMA/Red Cross mobilized

In cases of terrorism/active shooters, NAA will consult with the state (or local if no state) affiliate to determine if the affected property, victim(s) or perpetrator are members and if there is an established fund for donations. Donations will be made as appropriate up to \$10,000. Anything above that will require board approval.

Appendix 18: NAA Conflict of Interest Policy and Confidentiality Statement

National Apartment Association Conflict of Interest Policy

Adopted by the NAA Board of Directors 03/22/2004

It is the obligation of all employees, officers, and members of the Board of Directors of the National Apartment Association (NAA) and the National Apartment Education Institute (NAAEI) when acting on behalf of the Organization, to comply with all applicable federal, state, and foreign laws, to uphold the Principle and Purposes of the Organization, and to comport themselves in accordance with the highest standards of ethical business conduct. In furtherance of that goal, the Board of Directors of NAA has adopted the following policy in order to avoid or minimize possible conflicts between the personal interests of the persons subject to the policy and the interests of NAA/NAAEI.

Preamble

The purpose of the policy is to ensure that decisions about NAA/NAAEI's operations and the use or disposition of NAA/NAAEI's assets are made solely in terms of the benefits to NAA/NAAEI and are not influenced by the possibility of private profit or other personal benefit accruing to the persons subject to this policy who take part in the decision. In addition to actual conflicts of interest, all persons subject to the policy are obliged to avoid actions that could be perceived or interpreted as being in conflict with the NAA/NAAEI's interest.

Conflicts of interest may occur when NAA/NAAEI enters into transactions with either nonprofit organizations or for-profit enterprises. To avoid actual, potential, or even the appearance of, conflicts of interests, persons subject to the policy should disclose any connection or relationship with organizations or enterprises doing business with NAA/NAAEI and refrain from participating in decisions affecting transactions between NAA/NAAEI and the other organization or enterprise. The mere existence of a connection or relationship shall not prevent a transaction from taking place, however, so long as: (i) the relationship is disclosed; (ii) disinterested individuals make the necessary decisions; and (iii) the terms of the transaction are fair and reasonably comparable to those available in other commercial transactions where the parties are entirely independent of one another.

Policy

Employees, members of the Executive Committee, members of the Board of Directors and Committee Chairpersons (hereinafter referred to as the "Organization Representatives") of NAA/ NAAEI have a duty to be free from the influence of any conflicting interest when they represent NAA/ NAAEI or make recommendations with respect to dealings with third parties. They are expected to deal with suppliers, members, member companies, and all others doing business with NAA/ NAAEI on the sole basis of what is in the best interest of NAA/ NAAEI without favor or preference to third parties based on personal considerations.

- a. The Organization Representatives who deal with parties doing or seeking to do business with NAA/ NAAEI or who make recommendations with respect to such dealings or pass judgment upon them, shall not own any interest in or have any personal agreement or understanding with such third parties that might tend to influence the decision of the employees with respect to the business of NAA/ NAAEI, unless expressly authorized in writing after the interest, agreement, or understanding has been disclosed.
- b. No Organization Representative shall seek or accept, directly or indirectly, any personal payments, loans or services, excessive entertainment, or travel or gifts of more than

nominal value from any individual or business concern doing or seeking to do business with NAA/ NAAEI. (This provision shall not apply, however, to prevent Organization Representatives from accepting or making use of hotel rooms or entertainment provided by a hotel on a complimentary or upgraded basis in connection with a NAA conference, seminar, or school where such room or entertainment is part of the negotiations for or the overall contract with the hotel or conference facility. Such use facilitates the conduct of Organization business and thereby inures to the benefit of the Organization).

- c. No Organization Representative shall do business with a close relative on behalf of NAA/ NAAEI unless expressly authorized in writing after the relationship has been disclosed.

The requirement of freedom from conflicting interests extends to situations involving the close relatives of all Organization Representatives. Close relatives normally include spouse, parents, children, and brothers and sisters. Organization Representatives shall take reasonable steps to become informed of conflicting interests involving close relatives.

For such known actual or potential conflicts of interests involving close relatives, Organization Representatives shall, prior to NAA/NAAEI's doing business with organizations with which the close relatives are affiliated either as employees or as holders of beneficial interests in excess of five percent of the total beneficial interests, disclose in writing such conflicting interest.

With respect to all employees of NAA/NAAEI except for the President, the President has the ultimate authority to determine what remedial steps should be taken in situations involving an actual or potential conflict of interest. With respect to the President and Organization Representatives, except for employees and the Chairman of the Board, the Chairman has the ultimate authority to determine what remedial steps should be taken in situations involving an actual or potential conflict of interest. With respect to the Chairman, the Executive Committee of NAA/NAAEI has the ultimate authority to determine what remedial steps should be taken in situations involving an actual or potential conflict of interest.

As used in this policy, Organization Representatives shall include all employees of NAA/NAAEI and members of NAA's Executive Committee, voting members of NAA's Board of Directors and all NAA Committee Chairpersons as set forth in NAA/NAAEI's Bylaws.

References to NAA/NAAEI shall, where appropriate in light of the context of the language and purposes of this policy, be interpreted to include NAA/NAAEI, a Virginia nonprofit corporation.

Conflict of Interest Compliance Certification

I have received and carefully read the conflict-of-interest policy of NAA/NAAEI.

In the event that I become aware of any situation that poses an actual, potential, or the appearance of, conflict of interest between me and NAA/NAAEI or between my close relatives (as defined in the policy) and NAA/ NAAEI, I shall promptly disclose all pertinent acts to the President, Chairman of the Board, or publicly to the Board of Directors.
